

## IBM VISION

A God-centered institution with the highest standards of sacred governance and global economic prosperity. A lifetime partner in fulfilling dreams across generations, beyond borders.

We all have a role in helping people, the future prosperity of our nation; stay in safe, stable, nurturing environments.

## IBM MISSION

The International Bank of Maharlika is committed to:

P-romise to You:

IBM has been and will continue to be a universal divine bank.

E-mpowering self-governance and enforcing customary laws leads to great change.

O-ffering the highest level of commitment and excellence in accomplishing the mission so that IBM would be a model for others to emulate.

P-romoting the spiritual awakening of all people, physical and environmental programs.

L-oving and God-fearing individual is genuine and very much at the heart of the values that IBM represents.

E-xtraordinary service is the foundation of our victory and leads to lasting relationships.

S-piritual living and mind to perfection.

## IBM CORE VALUES

G-uiding light to excellence and a greater sense of fulfillment.

I-ndependent is not just a personal virtue, it is a moral virtue.

F-aith in God is a powerful force for good.

T-ransparency serves to achieve accountability.
